

# A Wonderful New Fundraising Idea...

## Help your children learn their tables - and help the school as well!

Dear Headteacher,

Have you come across "Tables Disco" yet? More than 100 000 children have now listened and learned with this best-selling, fun-to-learn double CD, **and here's your chance for YOUR school to benefit!**

These brilliant double CD packs currently sell at £16.49 on the internet - but you can buy for just £9.99 today **post free**. All the multiplication tables from 2 to 10 are taught, each set to a different rock / rap tune. With lots of thorough testing of each table, the CDs are sure to be a success with your pupils - and with their parents when they find their kids know their tables at last!

**Get into this brilliantly simple fundraising scheme EASILY - we've done all the work for you!** Just send £9.99 and we'll send you the double CD, together with a master copy of a letter you can send home to parents offering them the chance to buy the Tables Disco CDs at a reduced price. **The school makes up to £6 profit per CD pack.** Post and packing is normally £3.50, and up to £25 for a bulk order. However, we'll send your initial CD pack **post free**, and when you send for your larger order for your parents we'll deliver all those post free as well!

Yours sincerely, MICHAEL JONES, Fundraising Officer

P.S. Just think! If a primary school sold 165 copies at £6 profit each, they'd make

## A THOUSAND POUNDS PROFIT FOR THE SCHOOL.

**PLEASE PRINT THIS OUT AND POST BACK THE FORM BELOW WITH YOUR CHEQUE**

**YES!** Please send me a copy of the Tables Disco double CD pack together with a master copy of the fundraising letter. I understand this order will be sent POST FREE and we are under no obligation to order any further CDs. I enclose a cheque for £9.99 payable to The Derek Grant Organisation.
